## Day 04/05

Bharatpur. Morning evening park round.

## Day 06

Drive by road to Agra and visit the Taj Mahal .Later take a direct train to Umaryia for Bandhavgarh National Park. Overnight train.

## Day 07

Reach Umariya early morning & drive to Bandhavgarh National Park (34 km) in AC car/coach. Evening game drive Bandhavgarh. Once part of the old Rewa state, Bandhavgarh National Park is set amidst the Vindhya ranges with a series of ridges running through it. Initially this park was the royal hunting ground for the rulers of Rewa. But in 1968 it was declared a National Park. The Bandhavgarh National Park is the place where the famous white tigers of Rewa were discovered. Bandhavgarh is densely populated with other animal species too. The sambar, barking deer and nilgai are also common sights in the open areas of the park. (Overnight Jungle lodge)

## Day 08

Morning evening game drive.

## Day 09

Morning evening game drive Bandhavgarh. About half the park is covered with fine stands of sal, while mixed forests are found in the higher reaches of the hills. Stretches of bamboo and grasslands extend to the north. The main viewing area is still in the core of the Park with its 32 picturesque, wooded hills. An ancient fort up on a precipice, 800 metres high, dominates the Park. (Over night at the Resort)

## Day 10

Leave Bandhavgarh early morning for Kanha National Park. Reach Kanha by lunch time, check in to the Krishna Jungle Resort & get ready for the evening game drive. World renowned for its population of tigers, Kanha National Park provides excellent opportunities for observing these magnificent animals in the wild on jeep drives and elephant back, while this lushly forested country is immediately familiar to readers of Rudyard Kipling, it has also recently been the site of extensive research on the ecology of tiger, deer, langur, Barasingha deer, guar and wild dogs. (Over night at the Resort)

## Day 11

Morning evening game drive in Kanha game reserve. Spend the full day viewing game and spotting TIGERS inside the Jungle, located in the Mandla district of Madhya Pradesh, the Kanha National Park is a Tiger Reserve that extends over 1945 sq. km. of undulating country. Elevations range from 450 to 900 meters. A horseshoe shaped valley bounded by the spurs of the Mekal ridge gives Kanha an interesting topography. The Surpan River meanders through Kanha's central maidans – grasslands (Over night at the resort)

## Day 12

Morning evening game drive in Kanha game reserve. It was here at Kanha that the eminent zoologist George Schaller undertook the first ever-scientific study of the tiger. The animals at Kanha are best observed from elephant back and the open country makes the chance of sightings reasonably good. Deer are seen along the maidans and gaur at Bamhindadr or in the Bishanpura Sondhar - Ghorella area of the Mukki range. This area is also ideal for spotting the dhole or wild dog. Langurs, wild boar, water fowl and birds are also commonly seen. (Over night at the resort)
